

# *Yankee Lake Preservation Association, Inc.* Clubhouse Window Replacement Sponsorship

The YLPA is replacing the windows in the large meeting/activity room of the Clubhouse. The new windows are more than double the size of the old ones, allow easy-open, flow-through breezes, and the additional light dramatically changes the character of this most-used room. This is a worthwhile, but expensive, proposition which will offer both aesthetic and practical (comfort) benefits. In order to defray the impact to our YLPA budget, we are offering an opportunity for some members to “sponsor” a window. **The sponsorship cost is \$500 and includes:**

1. Purchase of the Window.
2. Installation of the Window.
3. A personalized plaque in your own words (**not to exceed 150 characters**). Each plaque will be approximately 2 ½" x 6" and will be affixed just below one of the windows to recognize your contribution and memorialize you, your family, your ancestor, or your love of Yankee Lake, as you choose.

There are 20 windows to be replaced. The first 20 checks/forms received will be accepted for this purpose.
